Re: Bond County Illinois STA Request

Dear Ms. Collins:

The Region 13 Conformance and Review Committee has received and reviewed a request on behalf of Bond County Illinois for a special Temporary Authorization (STA) to temporarily operate on the pre-banded NPSPAC frequencies until the Wave 1 Freeze is lifted.

Please be advised the Region 13 Conformance and Review Committee supports the request and recommends that Bond County Illinois be granted an STA to temporarily operate on the pre-banded frequencies until the Wave 1 Freeze is lifted.

Please don't hesitate to contact me if you have any questions regarding this matter.

Respectfully,

Gary Cochran  
Region 13 Chair
